REPORT TO THE LISTENER

Tarabu Betserai

FCC RULING

KPFK is under attack. An obscentity complaint which was filed against KPFK regarding an August 31st, 1986 broadcast of the IMRU program was referred to the Justice Department for criminal charges on April 16th. The program in question involved a discussion with the director and two of the actors of a play entitled "The Jerker" which was running in Los Angeles at the time. There was discussion with the principles and excerpts of the play were aired. The content of the play dealt with the issue of safe sex in an era of AIDS and is of obvious importance to Pacifica's audiences. The FCC has not had a hearing on this matter, has not allowed Pacifica to call a single witness, and has not reviewed the community standards in the Los Angeles area, which as we understand it would be a clear necessity for any criminal charge or accusation. We are still studying the matter and strategy is being outlined by the executive director of the foundation in association with our attorneys in Washington D.C. We do intend to defend this from any implication of criminal intent. This could be another long hard fight. I will keep you abreast of the details as they are received.

IRAN/CONTRAGATE HEARINGS

Back to business of radio. The beginning of May marks a very important month period for KPFK. At the top of the list is the House and Senate Select Committee hearings on the Iran/ Contragate arms scandal which are scheduled to begin on May 5th and run through July 4th. **Live gavel-to-gavel coverage of the hearings can be heard on KPFK from 7:00 a.m. until 2:30 p.m. Tuesdays through Fridays.** (The tentative weekly hearings scheduled will be Tuesdays through Fridays but may alternate weekly from Mondays through Thursdays). In addition, **Tuesdays through Fridays KPFK will also be presenting a daily summary of the hearings from 5:00 p.m. to 6:00 p.m. called "Iran/Contragate In Perspective."** Pacifica stations across the country will be airing the coverage which will be anchored by Larry Bensky, formerly of KPFA and co-anchored by Christopher Hitchins, writer for 'The Nation.' KPFK's own in-house coverage will be produced and coordinated by Alan Fong, formerly the KCBS editorial director.

A major portion of our broadcast day will be interrupted by this live coverage and many programs will be placed in alternate programming slots. We will be offering a daily afternoon of music and short features from 2:30 p.m. to 5:00 p.m. called "The Afternoon Mix," on hearing days. Some of our regular programmers who will be displaced by the hearings coverage can be heard during these hours in shorter features. Listen every Monday morning at 9:00 a.m. for any program changes which may be dictated by the hearings coverage.

SPANISH PROGRAMMING

May 5th is also Cinco De Mayo and on that day Pajaro Lattino/Enfoque Lantino Productions will present 6 hours of Spanish programming, immediately following the first day of the hearings. May 5th is also the day the infamous Simpson-Rodino law is scheduled to take effect. You can hear programming on the serious reamifications of this law on our Cinco De Mayo special day and on May 9th, **a national broadcast will originate from KPFK called the Simpson-Rodino Radio Series.** This program is produced by Radio Bilingue in Fresno and will air on Saturday, May 9th at 10:00 a.m.-11:00 in English and from 7:00 p.m.-8:00 p.m., the same program will be aired in Spanish.

MALCOM X

Our final programming note is a **May 19th Malcom X Special, which will be aired from 2:30 p.m. to 5:00 p.m.** A musical tribute prepared by the producers of "Music In Black," Barbara Sherrill, and well known actor and musician John Patton. A documentary on the life of Malcom X will be also aired.

FILM CLUB PHONE 980-8745

A very important note of interest to our Film Club subscribers is the addition of the KPFK Film Club Phone Line: (818) 980-8745. Film Club subscribers will now have their own phone to call for information regarding film club screening times, dates and titles. We will soon have an answering machine on-line which will also allow film club members to leave their reservations on the message. The new film club phone will eliminate postcards or calls directly to KPFK's switchboard regarding film club screenings. You can call the number 24 hours a day to find out film club information. We will continue our on-air promotion of screenings at 9:00 a.m. and 6:00 p.m. We hope this will eliminate some of the problems our film club subscribers have had in the past, regarding information about the film club screenings.

KPFK would like to make an appeal to you for computer donations. If anyone has computers or peripheries that you can donate, which are in good working condition or can be repaired without tremendous expense, the station would be most grateful. Typewriters would also be welcomed but particularly we are in need of additional computer equipment. Please call the station and ask to speak to either Mary or Richard at (818) 985-2711.

PRC CONFERENCE

May is also a busy month for conferences and meetings. I will be out of the station for 14 days between the end of April and the beginning of May attending a Pacifica Managers meeting, The National Federation of Community Broadcasters Conference and the Public Radio Conference all happening in Washington D.C. Our business manager Mary Fowler will also be attending a financial management seminar as part of the Public Radio Conference. On May 29th-May 31st, the second quarter meeting of the Pacifica National Board will take place in Houston, Texas.

LOCAL BOARD

Our next KPFK Local Advisory Board Meeting will take place on Monday, May 18th at 7:30 p.m. at KPFK. The public is invited to attend.

Finally, I would like to thank all of our listeners who attended the Candilejas benefit and special thanks to the folks from Canto Tropical and Danny Ho, the owner of Club Candilejas, for his generous contributions.

ATTENTION VOLUNTEERS!

While KPFK airs the 'Contragate' hearings 'from gavel to gavel,' you are welcomed to come into the station, volunteer some time, possibly help answer phones, and listen to the hearings here in the station with us. The hearings are scheduled to begin on May 5th, Tuesdays through Fridays, from 7:00 a.m. to 2:00 p.m. And please remember that we will also need you during our Summer Fund Drive as it falls partly during the hearings. Thank You.
